Remarkable Palm Island property with spectacular views of the South Miami Beach skyline and ideal space for entertaining. The villa's architecture delivers clean lines with Fleetwood doors throughout, which seamlessly fuse interior and exterior spaces. Currently boasting over 7700 square feet of spectacular living space, this home was completely rebuilt in 1992 and redecorated by a French designer in 2014. A 25-foot high foyer with a majestic floating staircase sets the tone of this magnificent interior. Natural light is present throughout the residence and in particular in the open-concept family room, dining area, formal lounge and kitchen which all combined create a one-of-a kind great room. The villa offers 5 bedrooms, each with their own en-suite baths, comprising an ...
